Why CNB Bank?

“CNB Bank is a growth-oriented company who allows me to utilize my skills and apply them where needed. They set reachable goals for each employee and help you to reach them.”

Meet Julian Carter, CNB Bank’s Customer Service Specialist for our Investment & Planning Services Team.

Julian worked as a Personal Banker for CNB Bank for two years before becoming the newest addition to the Investment & Planning Services team. He is currently attending Blue Ridge Community and Technical College where he is studying Digital Media. He plans to transfer to a four-year university and receive his Bachelor’s Degree in Marketing.

In addition to school and work, Julian is part of the United Way of the Eastern Panhandle’s Emerging Leaders United group (ELU). ELU is a group of young professionals, ages 45 and under, looking to make lasting change in their community through volunteerism, advocacy, and philanthropy.

During his free time, Julian stays busy by going to the gym, traveling, exploring new places, hiking, and attending car meets.
