CNB Bank Donates \$50,000 to Hagerstown Community College Students

<Hagerstown, MD January 13, 2023> Mark Harrell, President and CEO of CNB Bank, Inc., is proud to announce that CNB Bank recently donated \$50,000 to Hagerstown Community College's (HCC) Foundation, which provides scholarships for students who have outstanding academic success and/or financial need.

The HCC Foundation recently held a campaign titled A Gem for Generations in celebration of HCC's 75th anniversary. The foundation launched this ambitious campaign to raise scholarship funds that will be used to educate students and teach them new skills for adapting in a rapidly changing job market.

According to HCC's website, ninety percent of the recipients of scholarships from the HCC Foundation are academically successful. It is remarkable, considering that many of these students would not otherwise be able to attend school for financial reasons. The outlook of the community is improved when students learn skills for the future.

HCC's President, Dr. Jim Klauber, stated, "CNB Bank is one of the most respected banks in the region. They are actively engaged in bettering our community, and we are grateful for their support of our students."

CNB Bank's Harrell commented, "Anytime we are able to invest in the future of our community members, it is a win-win partnership. A commitment to these students will produce a well-trained and well-skilled workforce, generating a positive impact on our communities for years to come. We look forward to seeing the value this program will garner as a result of the education these recipients will receive."

CNB Bank is a full-service bank with assets over \$500 million. CNB Bank has eight locations including Hagerstown and Hancock, Maryland as well as Morgan and Berkeley County, West Virginia. CNB Bank is a locally owned community bank serving the tri-state area and has been committed to its communities for over 88 years. Being a community bank allows CNB Bank to make decisions locally to better serve the residents and businesses of the region.
